

Mei Okubo

Software Engineer Intern, AI/Data

EDUCATION

City College of San Francisco

B.S. Computer Science and B.A. English

Class of 2025

I am working on IGETC and major requirements of computer science programs in various UC campuses. I started taking CS-10 and CS-110B from and expected to complete by the end of Spring 2023 semester and expect transfer to 4-year university by Fall 2025.

Inspirit AI

Scholar Program

January 2022 - March 2022

I worked on an AI model that analyzes sentiment from tweets by using BERT with peers. We presented our project to our parents and mentors on Demo Day.

CERTIFICATION

Microsoft Certified: Azure AI Fundamentals

Issued by Microsoft

October 16, 2021

I have demonstrated foundational knowledge of machine learning (ML) and artificial intelligence (AI) concepts and related Microsoft Azure services by passing the AI-900 exam.

Microsoft Certified: Azure Data Fundamentals

Issued by Microsoft

August 20, 2021

I have demonstrated foundational knowledge of core data concepts and how they are implemented using Microsoft Azure data services by passing the DP-900 exam.

Microsoft Certified: Azure Data Fundamentals

Issued by Microsoft

July 19, 2021

I have demonstrated foundational level knowledge of cloud services and how those services are provided with Microsoft Azure by passing the AZ-900 exam.
